

The Heartbeat Express

May, 2018

Dear Church Family,

1 Corinthians 12:4-6 says, “There are different kinds of gifts, but the same Spirit distributes them. ⁵ There are different kinds of service, but the same Lord. ⁶ There are different kinds of working, but in all of them and in everyone, it is the same God at work.” And as faithful believers this message is important for us to remember: We are all different, but serving the same God!

What a glorious message from the Apostle Paul because it empowers each of us to serve as we are uniquely gifted, and give praise and glory to God through our service. In the upcoming month we are going to dive deeper into the Spiritual Gifts, and I am going to challenge you to use your gift for the betterment of the Kingdom.

The amazing part about this is that there are so many ways to serve God! So, for the next several weeks I want to invite you to an attitude of prayer about how you might get connected for service to the Kingdom. What does that look like for you? How can you give in whatever season of life you might find yourself? How does serving God play out in your life?

I know those questions may sound daunting, but don't worry – we are in this together, and together we'll sort through what this means as well as a plan to get you to where you want to be in serving God. It is an exciting time in the life of the church! God is working in us, and through us! Because of that, there is no telling what might happen.

Together in the Mission,

Pastor Tony
