FINAL WEEK COMING UP for SITE 1

Before or at the final three-way conference for this site, which will take place following the final observation, take care of the following:

Expectations for Student Teachers:

• Wrap up lessons and units that you planned and taught.
• Finish up written lesson plans and be sure to send electronic copies to Jana.
• Complete all CAP goals and assessments.
• In Seminar, Share the "evidence" that you listed for each of the Standards on the Pre-service Performance Assessment for Practicum prior to the final Three-Way Conference.
• Complete grading responsibilities and return work to students.
• Complete your Log of Hours and submit to Lora.
• Leave things neater in your classroom space than you found them.
• Assist as your supervising practitioner re-assumes responsibility for teaching.
• Say “good bye” to the students and staff.
• Collect all the work for New Visions, or make arrangements for completion and pick-up.
• Send an email to your new Supervising Practitioner to remind her that you are coming to your second site on March 18.

Paperwork for Supervising Practitioners:

• After receiving the Formative Decision for Preservice Performance Assessment form from Jana Silver, review with your student teacher prior to the final Three-Way Conference.
• Review the "evidence" listed by the student teacher for each of the Standards on the Pre-service Performance Assessment for Practicum prior to the final Three-Way Conference.
• Be sure to complete any formal evaluations and submit those to Jana and Ryan or Nicole.
• Provide letter of recommendation for Ryan and/or Nicole.
